## **SPONSOR THE 9TH ANNUAL LAWYERS FOR THE ARTS**

Join us on Saturday, April 4 for our annual Lawyers for the Arts fundraiser, where attorneys across practices and parts of Western New York gather to perform music and celebrate the region's thriving arts and cultural community.

Lawyers for the Arts benefits Give for Greatness, ASI's annual granting program that awards general operating funds to dozens of nonprofit arts organizations every year. In 2019, ASI distributed a total of \$32,000 in Give for Greatness grants, most of which was raised at this event, to support arts and culture in Western New York.
