

## CALL FOR WORK: WEARABLE ART COLLECTIVE

Beau Fleuve Emerging Artists Initiative  
Featured Opportunity: Juneteenth Wearable Art Collaboration  
Submission Deadline: May 15, 2025

We're inviting artists to submit original or existing works of art to be featured as part of our Juneteenth Wearable Art Collective. This opportunity includes the selection of one artist's design to be featured on an official Juneteenth Celebration t-shirt, distributed and worn during the Juneteenth weekend celebration.

This is a powerful platform for artists to showcase pride, culture, and creativity by infusing visual storytelling into wearable mediums that reach the community at large.

### WHAT WE'RE LOOKING FOR:

- New or existing artwork that celebrates Juneteenth and African American culture
- Bold, vibrant, culturally resonant designs
- Files submitted in PDF or PNG format (can include watermarks for review)
- Artists open to a discussion around licensing or commission agreements

### ARTIST OPPORTUNITY:

Artists will be reviewed by a committee. The selected design will be featured on official Juneteenth merchandise. There is potential for revenue-generating opportunities through merchandise sales at the Juneteenth Celebration. Details around licensing or commission structures will be finalized with the selected artist.

### KEY DATES:

- Submission Deadline: May 15, 2025

### HOW TO SUBMIT:

1. Complete the Emerging Artists Initiative Submission Form
2. Attach links or upload files to your artwork (PDF or PNG formats preferred)
3. Include your suggested licensing fee and/or commission proposal
4. Submit by May 15, 2025 for committee review
